Once You Know, You Newegg.

Your Newegg.com Customer Service Team

Although Newegg is not obligated to and does not collect Colorado sales tax, this purchase is subject to Colorado sales tax unless it is specifically exempt from taxation. A purchase is not exempt from sales tax merely because it is made over the Internet. The State of Colorado requires Colorado taxpayers to file a sales/use tax return at the end of the year reporting all non-exempt purchases that were not taxed and to pay tax on those purchases. Colorado law states that retailers, like Newegg, that do not collect Colorado sales tax are required to provide you and the Colorado Department of Revenue with an end-of-year report of the total amount you purchased from Newegg during the year. Further information regarding Colorado sales tax, including details on how to file a sales/use tax return, may be found at the Colorado Department of Revenue's website, [www.taxcolorado.com](http://www.taxcolorado.com)
